It is good to give thanks for the world He has fashioned, the sun and the moon to give light. He determined the number of stars, and He named them. He rules both the day and the night, It is good to give thanks to the Lord, singing praise to His glorious Name. It is good to remember His love and His faithfulness, ever the same. It is good to give thanks and forever exalt Him, so great is His power and might, and His pleasure is found in His children who fear Him. Our praise is to Him a delight.”
